

Every Mile : Poems that Encourage & Uplift the Heart

If you are looking for words to encourage a friend through tough times, to inspire yourself or someone else to triumph over a challenge, or share laughter and comfort from childhood memories, Every Mile is the book you need. The collection of poems that encourage and uplift the heart brings back memories of a time of swimming holes, 6-cent popsicles, Moon Pies and a cold RC cola on a hot summer day... when men sat at the barber shop and listened to the baseball game on the radio, when the smell of Sunday supper cooking made you run home just counting the minutes til it was done... being rocked to sleep in your mothers arms. You'll leave Every Mile knowing that no matter how frenzied your day becomes, there's still a space for quiet, simple innocence. Baby-boomers in particular will like this book as they face an increasing search for words to guide and advise their children, comfort friends and relatives that have lost loved ones, care for aging parents, and express the confidence that God above loves and cares for us deeply through every mile of our journey!
