

Interview with a Bear (Werebear New Adult Erotic Romance)

When tan and sexy comes to rescue you, all you can do is say no. Lena desperately needs a job. So when her car breaks down along the side of the road on the way to the only interview she has had in months, she is about to lose it. That is, until a sexy stranger comes along and offers her a ride. Clay is a tan, brilliant blue eyed, tough guy on the way to work when he sees a stranded beauty standing on the side of the road, helpless. He picks her up, but little does she know that he is going to rock her world. But can she handle the secret fact that he is a bear? With no other choice she climbs up into his truck and lets him take her, on the ride of her life.
