

A Change of Regime

The struggle against evil continues in *A Change of Regime*, with the characters introduced in J. N. Stroyar's award-winning, critically-acclaimed novel *The Children's War*. The Third Reich lives on! Having carried out the assassination of his former tormentor Peter Halifax returns to the secret enclave of the anti-Nazi resistance to continue the fight against the regime with his wife Zosia. Emboldened by his success in overcoming his past, Peter returns to Berlin and dices with death to fulfill his dream: providing an escape route for the slave laborers of the Reich. Meanwhile Zosia's brother Ryszard continues his attack from within as he infiltrates, as S. S. Colonel Richard Traugutt, ever deeper into the core of Nazi power, even to within grasp of the ultimate prize: Führer of the Third Reich. But there are other forces at work and as Ryszard is forced into betraying Peter, his political enemies plot their own Armageddon. Based on meticulous research and real-life stories, painstaking attention to detail gives the story a brutal reality. The novel addresses the issues of today as the characters wrestle with mad dictators, terrorism, and their own desperate passions. A tale of espionage, of love and betrayal, of courage and collaboration.
