

## ISO 7755-4:1984, Hardmetal burrs - Part 4 : Spherical burrs (style D)

This part of ISO 7755 lays down the main dimensions of the cutting part for hardmetal burrs of spherical shape and designated by the symbol D. Tolerances on the cutting diameter, direction of helix and cut, diameter and length of the cylindrical shank and designation of burrs are dealt with in ISO 7755-1. This title may contain less than 24 pages of technical content.
