

## Jeeves & Wooster in Perfect Nonsense (NHB Modern Plays)

An inventive, fast-paced comedy featuring P.G. Wodehouse's iconic double act. Winner of the 2014 Olivier Award for Best New Comedy. When a country house weekend takes a turn for the worse, Bertie Wooster is unwittingly called on to play matchmaker - reconciling the affections of his hosts' drippy daughter Madeline Bassett with his newt-fancying acquaintance Gussie Fink-Nottle. If Bertie, ably assisted by the ever-dependable Jeeves, can't pull off the wedding of the season, he'll be forced to abandon his cherished bachelor status and marry the ghastly girl himself! Based on P.G. Wodehouse's delightfully bonkers stories, especially *The Code of the Woosters*, the Goodale Brothers' dramatisation premiered at the Duke of Yorks Theatre, West End, in November 2013, prior to a UK tour. Written for a cast of three, who play multiple roles, this adaptation will suit any theatre company or drama group looking for a comic play to perform. razor-sharp ingenuity... comedy at its purest Time Out Wodehouse himself would have loved this... captures the dotty, sunlit innocence of his work with panache Telegraph joyous... works beautifully well... so true to the creators' madcap spirit that you can imagine him wishing he'd thought of doing it like this Daily Express
