

Jane of Clement

In the book, Jane of Clement, you can take a journey down a road that your mother or grandmother may have traveled and relive that warm fuzzy feeling of families sticking together and neighbors helping neighbors. Walk down memory lane to the time when children were allowed to recite the Pledge of Allegiance in school, to have and read their Bible at school and to pray. Wouldn't it be wonderful to watch children show their teachers and fellow classmates the type of respect our ancestors were shown and not be afraid of the crime we have in schools today? Why not take a few moments to travel with Jane to school on this beautiful Spring day and pretend it was that peaceful time again... when parents spent time with their children more because there were no phones, TVs or computers? Why not enjoy God's peaceful world and the simple life with Jane? Be prepared to stay on the edge of your seat as Jane makes you wonder where the story will go next.....
