

## Joey Willis to Another World

Joey Willis is an eleven-year-old boy desperately searching for his younger sister, Olivia. From a familiar beach to an unknown cave, Joey falls into a different world. On his mission to find Olivia, he finds he has been given an extraordinary gift of magical powers. Joey meets Budda, the master teacher of all that is good, and together they encounter huge, fierce, and evil creatures, the likes of which Joey could never have imagined on Earth. Joey's adventures also lead him to make many friends. But will Joey find his sister?
