

## Captain Bonny Morgan: The Cassandra Prophecy

Called to action by a mysterious ancient Order—an ancient Order in cahoots with the Empress Flaccilla of the First Galactic Empire of Emperor Tulla—to help bring about the fulfillment of a long forgotten prophecy, the beautiful galactic pirate, Captain Bonny Morgan, sets out on her mission to successfully bring the prophecy to reality. By kidnapping the Empress's daughter, Princess Cosette, Captain Morgan sets into motion an adventure awash in political intrigues, hidden agendas, unexpected revelations, and bold, daring gambits by those involved at every level of the conspiracy. Setting out to find her kidnapped sister, Princess Lysette, joined by her beautiful, mischievous, and extraordinary slavegirl, Tink, crisscrosses the galaxy in a bawdy, erotic, and often hilarious attempt to find Cosette. Along the way, Lysette and Tink fall in with a variety of extraordinary allies in their attempt to find Cosette, meeting the Lady Brit, Jon Black, Pirate Queen Colleen O'Malley, Gunns Mannigan, Buster O'Malley, the beautiful pirates Kana and Blaze, and Bully, the roguish owner of the pirate tavern, the Pretty Red.
