

Moods, Moments & Memories

Most people know Yorkshire-born actor, Ken Kitson for his many appearances on the small screen. As well as having played a record four different characters in Granadas Coronation Street, he is also familiar from more hard-hitting shows such as Thames/Eustons The Sweeney and Minder, and has long been a fixture in Roy Clarke's long running comedy, Last of the Summer Wine for the BBC. This book reveals another side of Ken - the poet. Sensitive and imaginative, Ken's poems are none the less highly accessible. His subjects and messages are drawn from a real world we can all experience and share in. Moods, Moments & Memories draws on material from the whole of Ken's career.
