

The Rains of October

The Rains of October continues the adventures of childhood sweethearts Isabel Morgan and G T Deane as they mature. G T finishes law school and goes into private practice in Pineville. Isabel quits her pursuits as a model and plans to open her own clothing plant. A mysterious elderly couple comes into their lives as G T tries to solve the husband's problem and Isabel enlists the help of his wife. The Butterfly Princess returns to her Chinese province, Shuai, where the President of the Chinese Republic seeks a contract to mine the very rich coal veins that are owned by the Shuaites.
