

Kaleidoscope BOOK 2

This is the second book in the Kaleidoscope series by retired English psychiatrist, Dr Audrey Coatesworth. It contains 75 poems in 148 pages. Since leaving her medical career, she continues her therapeutic work through the medium of the written word. Dr Coatesworth writes about this book:- Since publishing my poetry books for older readers, Daily Life, From Darkness to Light and A Spiritual Journey, I have continued to write many poems. My Kaleidoscope series have no theme but the poems reflect my knowledge and experience from my life and work. The poems all have a purpose. The overall message is that good will prevail and that we have resources to help us to cope with what life throws at us. While coping with adversity we are inevitably pushed into the deeper levels of our own being.
