

## Kieli, Vol. 4 (novel): Long Night Beside a Deep Pool

Its been a year and a half since Harvey left Kieli and the Corporal in Beatrixs care. Though she hasnt heard a word from him in all that time, Kieli cant forget the Undying who took her under his wing. When Beatrix receives a cryptic note from Harvey indicating that hes discovered information about Kielis mother, Kieli abandons the Corporal and Beatrix in an effort to track Harvey down, but the passing of time has not been kind to the Undying. Will Harvey and Kieli have a second chance at a life together, or is this the end of their story?
