

Just Beyond The Edge

A real page turner! Twists and turns galore. Well worth taking the journey. --Michael Grais, Producer, Screenwriter, Poltergeist and Border Wars. Lots of action, compelling characters. Packed with romantic suspense. Will keep even the most avid reader entertained.-- Bonnie Gordon Chief Editor, Smithsonian, Author, Poet Chase Chandler, a contract agent for the FBI, posing as an international corporate executive, is on assignment in Mexico to retrieve a murderer hiding out under the protection of a Mexican drug lord. Always the consummate professional, Chase is immediately knocked off track when he meets a noted flamenco dancer, Lorena Sontoya. A passionate affair ensues but it is soon threatened when Chases mission backfires and Lorena is kidnapped by the vengeful drug lord. Chase ultimately rescues Lorena but the suspense of who will eventually prevail in this lethal game for dominance is just beginning. At the same time as Chase and Lorena are trying to put their lives back together, Diego Sanchez, an international fencing champion, is returning home to Mexico after a twenty-year absence only to discover his affair at the age of nineteen produced an illegitimate son. Always haunted by his past, Diego begins a quest to find his son that takes him down the darkest passageways of deception and treachery. During his search for answers, Diego encounters Lorena, who is estranged from Chase after he breaks his promise to never go out on another mission. Tormented by the question of her future with Chase, Lorena turns to Diego. The resulting conflict encircling this triad is fraught with suspicion and betrayal - leaving no one untouched by the steadfast grip of uncertainty. Captivating storytelling. For someone who enjoys a good summer read, this was right up my alley. - Peter Speek Producer, Warren Miller Film Productions
