

## Second Thoughts

Maya is pretty, young and eager to escape her middleclass home. Ranjan is handsome, driven, well born and wealthy. Their arranged marriage seems a match made in heaven until Maya discovers that underneath her husbands charming facade lies a cold-hearted, rigidly conservative monster. As the young woman struggles with her marriage, she meets and finds solace in Nikhil, her charming college-going neighbour. Soon the stage is set for an explosive tale of love and betrayal.
