

# The Mystical Lands of the Wizard

A young woman is encouraged to take a journey through the Lands of the Wizard, which she does. She travels through seven lands meeting with the inhabitants of those lands, and having adventures in each. When she returns home, she finds out that she is in fact the daughter of the Wizard, and the journey was to introduce her to those lands. Follow these adventures of Michelles, or Mitch as her friends know her, and discover how she is transformed from an ordinary artist to become a witch in her own right and the future ruler of the Lands of the Wizard.
