

The Official FierceWomen VISION BOOK

This is YOUR FierceWomen VISIONBOOK. The one question at the heart of FierceWomenProject is Whats Possible? So, this FierceWomen VISIONBOOK is where to put your anythings possible vision. Who? What? When? Where? Why? and How? Who will I be in ten years? Who will I be spending my time with? What will I be doing? How will I share my gifts with the world? How will I be using my gifts, passion, and joy to make an impact? If nothing were holding me back, what would my future-self be like? FierceWomenProject uses contemporary portrait art to create a platform for young women and girls to discover and connect with accomplished women leaders from diverse fields. Through this platform, the women share their stories with the students to inspire, engage, and empower them. The project also engages men to actively support women and girls, and invest in their success. The three core elements are: leadership development, mentoring, and men as allies. Whats YOUR definition of a Fierce Woman? FierceWomenProject.com
