

Steel Waters, Vol. 1: DUPLICATE AuthenticITY

Steel Waters VOLUME I: DUPLICATE AuthenticITY reflects the duality of the author, Reggie Legend-concern and disregard, strengths and weaknesses, spirit and flesh, scriptures and rap lyrics, light and dark. While these counterbalanced themes define a man living in and torn between two worlds, they are also played out in the fullness of this collection of poetry. Steel Waters captures Reggie's struggle as he seeks to find the balance between Biblical scriptures and the lyricism of hip-hop, both of which influence the delivery and context of his message. Walk with Reggie Legend as he maps out this struggle through verses of rhyme and reason and decide for yourself.
