No Boundaries: Poems of Life

No Boundaries is a collection of heartfelt poems for life. Each poem in No Boundaries was written for someone, about someone, or an actual event during my life.

I express my feelings in my poems, and most of them were written on napkins, scrap paper, or whatever I had in front of me at that time. Sometimes I would dream of the words, and wake up reaching for a pencil. Just as some people use diaries to write down their deepest feelings, I write mine in poems. My gift of words was passed on to me from God and my dad.
