

Life on Fire: A Step-By-Step Guide To Living Your Dreams

Do you have a big dream that feels impossible? Are you harboring a goal or passion that you'd like to begin pursuing? Do you feel that there is something bigger out there for you even if you can't name what it is? Five years ago author Kim Dinan felt the same way. She had a good job and lived in a wonderful city. She owned a house and two cars and a wardrobe full of clothes. By the looks of it, she was successful. But there was a deeper truth inside of her that cried out for something more. She wanted to travel the world as a writer. Against the odds, the author set out down the path to her dreams. She had no idea what to expect. Five years later, she now travels the world as a full-time writer. And she learned a number of valuable lessons along the way. Life On Fire reveals real-life tips that will show you how to turn your biggest dreams into reality. Whether you want to travel the world, run a marathon, or simply learn how to make more room in your life for the things that bring you joy, this book will help you get started. Life On Fire will teach you what to expect as you begin to walk the path to your dreams. From helping you to connect with the voice of your soul, to overcoming fear and obstacles, dealing with naysayers, and handling the inevitable realities of sacrifice and failure, Life On Fire will give you the tools you need to prepare for your life's most important journey.
