

Rubayat (Spanish Edition)

Astronomo, astrologo, matemaatico, filosofo, medico y entendido en musica a pesar de sus humildes origenes, Omar Jaiyyam (1048-1132) consiguio conservar una existencia libre, integra e incolume en la Persia medieval en la que las dinastias turcas islamizadas de gasnavies y selyucidas dejaban campar a sus anchas el fanatismo religioso. Por ello y por la concepcion de la existencia que expresa relego a la clandestinidad la actividad que, a la postre, habria de alumbrar una obra universal y perenne: la poesia. En sus Rubayat reunidos tan solo tres siglos despues de la muerte del poeta, Jaiyyam canto con sensibilidad oriental al vino y la belleza, el goce del presente siempre fugitivo, la vanidad de la existencia, el aqui y el ahora, expresando en estos brevisimos poemas traducidos de forma insuperable en esta version bilingue un sentir de la existencia humana desgarrada pero firme y llena de entereza. Version de Clara Janes y Ahmad Taheri
