

Love on the Run: A Thriller

A fabulous romp from master storyteller Che Dee; three books in one, which will grip you from start to finish. Sean is a lonely and bitter man. Life is so unfair, his wife has died. There seems no sense in anything. He discovers a few things about his late wife, and becomes unsure of the past, fearful of the future. So he needs to get away for a while, think things over. Then he meets Minnie. She's sassy, but a sweet woman. He likes to talk to her even if she is much younger. When Sean and Minnie decide to take a drive, suddenly a bullet hits the rear windshield. Before they realize it, Sean and Minnie are on the run. But from what and who? A road adventure racing across America and Britain, the story by turn hair-raising, poignant then funny. The unlikely duo are deep and fascinating characters, with all the foibles of real people, struggling with the mystery, fear and romance in their life. Locations reach out to readers in beautiful prose. This is a great story and written in such a way that you will find it very hard to put aside. 125,000+ words
