

The Magic Casement - An Anthology of Fairy Poetry

This antiquarian volume contains a fantastic and extensive collection of fairy-based poetry. Comprising both famous and lesser-known poems by a range of accomplished writers, this wonderfully illustrated book is highly recommended for fairy-lovers. It would make for a great addition to collections of allied literature. The poems of this collection include: The Fairy Life, Witches, Cauldrons and Blasted Heaths, Come Unto These Yellow Sands, Flower-Fairies, Enchanted Woods, Airy Mountain and Rushy Glen, The Fairy Voyager, Last Echoes, and more. Many vintage books, especially those originally published before the twentieth century, are now increasingly rare and expensive. We are republishing this book now in an affordable, high-quality, modern edition - complete with a specially commissioned new biography of the author.
