

Man School: lessons on love, power, honor and purpose

Manhood is becoming a lost art. In the days of our grandfathers and great grandfathers, a handshake was your word, and your word was your bond. Integrity was valued, honesty was respected, and ones family was the most important thing in the world. If this sounds out-of-step with todays values, Michael Bronco agrees. In his opinion, our current culture of high divorce rates, overworked-parent households, television babysitters and internet addiction is the thing thats out-of-step....with real manhood, that is. In this book, Michael explores what that means through stories from his own life and from the lives of others who have shaped his views. From his grandfathers tale of making an engagement ring out of a hollowed-out nickel to Michaels own struggle to build a cabin by hand, Man School is not just a look into what it once meant to be a man: it is about how to be a man right now, from owning your own actions to being a true father to your children. Man School is an honest, shot-to-the-balls book that will entertain you and get you thinking about life in a new way. Or as Michael would say, it will get you thinking about life in an old way. A real mans way. Your great-grandfather would be pleased.

The Living Church - Google Books Result In Virginia, schools closed, people were denied, gates came down. here in North Carolina there is more rejoicing over one righteous person, a righteous man, to use this opportunity, offered by the power of this pulpit and the honor of this occasion, of his parents and he lived a life based on his Sunday school lessons. **What the Power of Praise Can Do: 8 Reminders from His Word** Print off this free Sunday School lesson based on the book of Esther.
