

Managerial Accounting

ALERT: Before you purchase, check with your instructor or review your course syllabus to ensure that you select the correct ISBN. Several versions of Pearson's MyLab & Mastering products exist for each title, including customized versions for individual schools, and registrations are not transferable. In addition, you may need a CourseID, provided by your instructor, to register for and use Pearson's MyLab & Mastering products. Packages Access codes for Pearson's MyLab & Mastering products may not be included when purchasing or renting from companies other than Pearson; check with the seller before completing your purchase. Used or rental books If you rent or purchase a used book with an access code, the access code may have been redeemed previously and you may have to purchase a new access code. Access codes Access codes that are purchased from sellers other than Pearson carry a higher risk of being either the wrong ISBN or a previously redeemed code. Check with the seller prior to purchase. For courses in Introduction to Management Accounting Managerial Accounting, Fourth Edition helps students make the connection between managerial accounting concepts and the businesses they deal with everyday through strong coverage and effective practice. By presenting actual accounting decisions made in companies like Target and J. Crew, the text's precise coverage of the core concepts engages students in the learning process. MyAccountingLab for Managerial Accounting is an online homework, tutorial, and assessment program that truly engages students in learning. It helps students better prepare for class, quizzes, and exams resulting in better performance in the course and provides educators with a dynamic set of tools for gauging individual and class progress. This program provides a better teaching and learning experience for you and your

students. Here's how: Personalized learning with MyAccountingLab the online homework, tutorial and assessment program that helps students succeed in the classroom and beyond. Students see the connections between accounting concepts and the businesses they interact with everyday. Students learn from the latest information on important topics in the field. Note: You are purchasing a standalone product; MyAccountingLab does not come packaged with this content. If you would like to purchase both the physical text and MyAccountingLab search for ISBN-10: 0133803805/ISBN-13: 9780133803808. That package includes ISBN-10: 0133428370/ISBN-13: 9780133428377 and ISBN-10: 0133451488/ISBN-13: 9780133451481. MyAccountingLab is not a self-paced technology and should only be purchased when required by an instructor.
