

# Managerial Accounting 5e Binder Ready Version + WileyPLUS Registration Card

This package includes a three-hole punched, loose-leaf edition of ISBN 9781118078778 and a registration code for the WileyPLUS course associated with the text. Before you purchase, check with your instructor or review your course syllabus to ensure that your instructor requires WileyPLUS. For customer technical support, please visit <http://www.wileyplus.com/support>.

WileyPLUS registration cards are only included with new products. Used and rental products may not include WileyPLUS registration cards. Recognizing that most students will pursue careers as managers, not accountants, Managerial Accounting, 5th edition by James Jiambalvo is designed to teach the fundamental ideas of managerial accounting while making direct connections between managerial accounting, techniques in the business world, and students future careers. Students and instructors alike have praised this texts clear and concise writing style, to-the-point discussions, real world cases, managers insights, illustrated ideas, and examples. Managerial Accounting, 5th edition highlights decision making through incremental analysis and stresses that you Get What You Measure in each chapter. This new edition provides students with many opportunities to test their knowledge as they learn the concepts throughout each chapter.
