

Martin Dressler: The Tale of an American Dreamer

Young Martin Dressler begins his career as an industrious helper in his fathers cigar store. In the course of his restless young manhood, he makes a swift and eventful rise to the top, accompanied by two sisters--one a dreamlike shadow, the other a worldly business partner. As the eponymous Martins vision becomes bolder and bolder he walks a haunted line between fantasy and reality, madness and ambition, art and industry, as a sense of doom builds piece-by-hypnotic piece until this mesmerizing journey into the heart of an American dreamer reaches its bitter-sweet conclusion.
