

## Masatake Fujita. Deep in our heart

This book is dedicated to the memory of the Great Master, Hombu Dojo Shihan, 8th Dan Aikido Aikikai. The process of creating the book began when the Master was still alive. Masatake Fujita Shihan devoted his life to Aikido. The world has thousands if not millions of followers and admirers of his work. He was a true legend, his memory and knowledge will never be forgotten. Aikido suffers a serious loss that is difficult to admit. The Masters and Aikidokas from all over the world will follow Senseis teaching, study his unique training method carefully and will pass this invaluable knowledge to the next generation. The Masters, the close friends perform the best Masatake Fujita Shihans techniques and the basic Aikido techniques paying a tribute of respect to the Great Master. This is SOCIAL PROJECT! All proceeds from sales will be donated to the family of Masatake Fujita Shihan.
