

MASS CRITIK (French Edition)

A travers les destins croises de Katya restee fidele a son engagement, du sapeur-pompier Brad hante par le doute, de Yasmina a la recherche dAhmed le jour meme de La Chute, et des Numeretiks en perpetuelle croisade, ce roman decrit le rejet definitif des medias de masse par la generation Internet. Inspire par le foisonnement des theories sur le 11-Septembre, il nous conduit de fausses pistes en rebondissements tout en denoncant avec impertinence losmose politico-mediatique.
