

# The Night Horseman

Max Brand was one of the pen names used by Frederick Schiller Faust (May 29, 1892 - May 12, 1944). Faust was an American fiction author best known for his thoughtful and literary Westerns. In the 1910s he began selling stories to pulp fiction magazines. His love of mythology is evident in his fiction writings. In this sequel to *The Untamed*, Whistling, Dan, a wild spirit of the desert, has won the heart of Miss Kate Cumberland. Now she struggles to make him settle down, while he still feels the call to adventure with his favorite companions, stallion Satan and wolf dog Black Bart. Some strong language. 1920.
