

Mind

Andeyellian Radealle Cecoutiara, a seemingly normal person with a seemingly normal life. Until the one day her mind had plans of its own. Not understanding her problems, she sought out answers in the medical field as well as help from her dearest friend, Stecia. Fighting her daily problems, she saw herself drifting into an entirely different world being controlled by her mind, but she didnt realize it until it was too late.Can you understand whats happening to Ande?
