

Mindgarden Volume III: Love and Life

Mindgarden Volume III is a continuing collection of experiences along the path of life's ultimate journey. Author Paul A. Galloway openly expresses some of life's most essential human bonds and emotions: The joy of love, the pain of loss, the desire for love, the connection with a partner, loneliness and abandonment—all touching on the deepest human needs and wants. Galloway opens the door to our hearts, allowing us to intimately explore the most basic and complex of human emotions that fill our lives. Take a serene walk through the many facets of feelings and desires, and be constantly reminded of the presence of God's work in our lives. Bringing joy and beauty where there once were shadows and darkness. In Mindgarden Volume III, the poetic journey moves forward with the warm tones of love, romance, and the wondrous experiences love and life have to offer. In Your Heart In your heart is where I belong Words of love written to you in song My darling, my precious My love, my life You are my forevermore Forever to be wife In your soul is where I belong too Now we are one, just me and you I shall treasure you, cherish you A love that's so real Guide you, protect you Make love with zeal In your heart is where I'm to stay I'm your unforgettable Loving you more each day
