

## Take Mum Out

What do you need a boyfriend for? You're a mum. Fiona Gibson's eagerly awaited new novel is full of dating disasters. Sharply observed and laugh-out-loud funny, it's perfect for fans of Tracy Bloom, Kate Long and Tess Stimson. Three blind dates. Two teenage boys messing up her plans. And one man who'll melt Alice's heart. You need to get back in the saddle. Alice despises that phrase. She's fine being single with two slothful teenage boys and a meringue business to run, she has enough on her plate without negotiating the troublesome world of modern dating. However, Alice's three best friends have other ideas. Each one will present her with an utterly delicious, eligible man. All Alice has to do is pick her favourite. Perfect for fans of Tracy Bloom, Kate Long and Tess Stimson.
