

The Meaning of the Mark

2015 Reprint of 1931 Edition. Full facsimile of the original edition, not reproduced with Optical Recognition Software. The author, R.H.J., became famous after publishing *It Works* in 1926. *It Works* presents a concise, definite plan for bettering your conditions in life. It shows you how to use the Mighty Power within that is anxious and willing to serve you if you know how to use it. In 1931, five years after publishing *It Works*, the author RHJ - a Chicagoan named Roy Herbert Jarrett - published *The Meaning of the Mark* to more fully explain the ideas, magical methods, and mysterious symbols in his earlier work. Jarrett intended his longer and final follow-up book as the inner key to *It Works*. With its incredible combination of practical advice and metaphysical revelation, *The Meaning of the Mark* is required reading for those inspired by *It Works*.
