

## Mister Candid

Hes responsible for the deaths of many people. But everything Ive learned about him makes me believe hes fundamentally a good person. Sounds crazy doesnt it? How can he be a good person? For seventeen years the FBI have been hunting down a killer, a killer with a difference. His victims are the bad people the law couldnt touch. But are his actions those of a maniac or a saviour? And what happened to turn him into Mr Candid? Brought into a life of privilege and wealth on Americas East Coast, Charlie Kane was a child prodigy. Reading the New York Times at the age of three, a mathematical genius at thirteen, this gentle, handsome boy went to Harvard University where he found the love of his life and a place in the world. Until one Thanksgiving, seventeen years ago, when Charlie and the entire Kane family all but vanished.
