

Otay Mountain Rescue (Eberhard Mysteries Book 3)

Cameron Eberhard was teaching a weather class, at the World Famous Torrey Pines Gliderpark, to a class of paraglider students when he was interrupted. After a meeting at a local coffee bar with an Eve Valentine, Cam and his girlfriend Cinthia Dominoe found themselves on a rescue mission to Otay Mountain to find Eves brother. Eves brother had been missing for two days so they had to act fast! If he didnt succumb to the desert from thirst, he might be killed by smugglers not wanting any witnesses to report them to Border Patrol!
