

Mr. Antiphilos, Satyr (Classic Reprint)

Reny de Gourmont emphasizing the aristocratic virtues, drawing attention to the perfect detachment demanded by literature and art, makes one pause as though transported to a different world, to a less nervous existence. Gourmont, the aristocrat of letters, the thinker who could shrug his shoulders amusedly at current acceptances of progress, modernity and evolution, never for an instant ceased battling for a more discriminate attitude towards life and letters. (Typographical errors above are due to OCR software and don't occur in the book.) About the Publisher Forgotten Books is a publisher of historical writings, such as: Philosophy, Classics, Science, Religion, History, Folklore and Mythology. Forgotten Books Classic Reprint Series utilizes the latest technology to regenerate facsimiles of historically important writings. Careful attention has been made to accurately preserve the original format of each page whilst digitally enhancing the aged text. Read books online for free at www.forgottenbooks.org
