

Dimensions of Time 2

Dimensions of Time is a story about Nick and his girlfriend Hanna who experienced a time warp while getting ready for the high school prom. In Skylars first adventure book Skylar Wilbur Kids Action Books - Dimensions of Time, Nick and Hanna found a door to another dimension but not a friendly place. They escape only to find that it is not yet over. To save Hanna and mankind, Nick will have to return to this dangerous world of the Zentick warriors as Mr. Chan guides him in spirit.
