

Graduation Summer of 2 Girls, 2 Cats: The Magic and Mystery Continue

As the destiny of their great-grandparents farmland works its magical embrace, Lacey and Jillie are thrust into more mysterious adventures. Lacey has just graduated from law school and Jillie has just graduated from high school. The excitement and hardships continue to unravel, as their little cousin, five-year-old Nadia, is blessed with her own protector. Lacey's and Jillie's plans, for their graduation summer, are suddenly interrupted and more unexpected adventures begin. But this time, they are not alone, as they get to share so much of this thrilling destiny with their siblings, other cousins, ancestors from the past and descendants from the future! It is a magical mystery that never ends.
