

# Defense Against The Spirit Breakers: A Poetic Guide To Humanity

Defense against the Spirit Breakers is a poetic guide to humanity. Each of our spirits is instilled with truth and light. We must learn to break our own mortal restraints. Each step that we take upon this earth is a step closer back to the beginning of time. God created the earth and heaven. God instilled light within us all, the earth was without void, and evil, and then after Adam was created, and Satan enticed Eve, and so as to we. On going occurrences throughout humanity continue to cause more wickedness, and catastrophe. Gods own son Christ volunteered to come to earth, leaving his celestial standing, and surroundings to join our mortal world to save our spirits from habitual damnation, giving each spirit choices. Satan wanted to order each spirit to fall in line with his regime without choice. Raise up firmly from your spirits tribulations and seek redemption through the Lord. Build up your own spirits force and join the Defense against the Spirit Breakers.
