

Formal Poetry Resurrected 2012 (Volume III)

In Volume III the author again attempts to take the reader back to an age when poetry was structured. He embraces the formal, metered style now mostly forgotten. Every poem written in Volume I was written in the year 2010, as in Volume II 2011. Moreover every poem written in this book was written in the year 2012. In this volume poems are separated by the month they were written in. Volume IV will be every poem written by the same man in 2013, to continue allowing the reader to witness the progression and growth of the author
