

Hally and the Little Angel

This is a sequel to Hally's Secret, where Hally, the littlest witch wanting to be accepted into the coven, cleverly creates something that allows her to be like the other witches. But it is a secret. In Hally's Angel, she meets someone who becomes her friend. And as Hally introduces her new friend to her world, her little friend also shares a wonderful story with Hally. They set out to create something very special in the middle of the forest. And then her little friend leaves to go back to where she belongs.
