

Realism

The Melt Down (a Supernatural force and an emotional force) was witnessed by my stepdad and I. I perceived it to be a message from God. The Evil Crow that I witnessed was also witnessed by my brother Mike. Satans Demon Spirit was confirmed by the priest when I was locked up for six months in DeKalb County Jail. You, the reader, will have to distinguish between the Supernatural and the Natural. I know in my heart that whatever happens in life is Gods Will. Things happen for a reason. I challenge my audience to decipher in their own minds, whether or not the unbelievable is believable. I believe the Melt Down was God pulling on my right arm and I also believe The Evil Crow, not to mention Satans Demon Spirit was Satan pulling on my left arm. You can be sure my book, Realism, will give you a profound decision as to what really occurred in my Supernatural Realm. If nothing else my book, Realism, will show you and enlighten you as to how powerful Gods spiritual realm actually is and how God is most masterful in everything He does.
