

## Train Written Poetry

Train Written Poetry has evolved from a Friday pub lunch invite, to weekly news commentary into the book of messages you hold in your hand. An eclectic mix of styles and themes, most of the poems are written while sat on the Mandurah to Perth train line and a lot of the inspiration comes from inside these carriages. With changing themes of friendship, control, landscapes and love there is a poem in here for everybody. Train Written Poetry is a book of eternal messages written in a modern twist and one that most people can relate to.
