

## Karundas Children: The Witch5s of Dillard Hollow

The five Hue sisters embellished their supernatural powers passed down to them from their Cherokee Indian Great-Grandmother Karunda. They, like Karunda would not swat a hornet unless it stung them first. But, when it did sting, button down the hatches and lock the doors because the hornets nest is about to have new inhabitants. The Hue family moved to Walnut, Alabama in 1930 moving next door to John W Phillips. John W was a friend and companion who they shared many adventures with over their adolescent and teen years. From saving John W from wild dogs as a child to warning the military commanders of the eminent attack on Pearl Harbor Naval Base as teens, there was never a dull moment in the lives of the Hue sisters.
