

## Parzival A Knightly Epic Volume 2 (of 2) (English Edition) (Parzival A Knightly Epic Series)

Example in this ebook BOOK X  
ORGELUSE Now tell we of strange  
adventures thro which joy shall be waxen  
low, And yet pride shall grow the greater,  
of the twain doth this story show. Now the  
year of truce was ended, when the strife  
must needs be fought Which the Landgrave  
unto King Arthur at Plimizol had brought.  
At Schamfanzon he challenged Gawain to  
meet him at Barbigol, Yet still unavenged  
was Kingrisein at the hand of Kingrimursel  
In sooth, Vergulacht, he rode there, and  
thither had come Gawain, And the whole  
world was ware of their kinship nor might  
strife be betwixt the twain; For the murder,  
Count Eckunat did it, and Gawain must  
they guiltless hold, At rest did they lay  
their quarrel and friends were those heroes  
bold. Then they parted for both would ride  
thence, Vergulacht and the knight Gawain,  
Tho both for the Grail were seeking yet  
apart would they ride, those twain. And  
many a joust must they ride now, for he  
who the Grail would see Sword in hand  
must he draw anigh it, and swift must his  
seeking be! Now all that befell to Gawain,  
the lot of that blameless knight Since he  
rode forth from fair Schamfanzon, if he oft  
on his way must fight, Ye shall ask of those  
who there saw him, since naught may I tell  
ye here, Yet hearken, and heed the story  
and the venture that draweth near. One  
morning Gawain rode gaily oer a grassy  
plain and green, When a shield, in the sun  
fair shining, with lance-thrust pierced thro  
was seen, And a charger stood beside it  
that bare womens riding-gear, And the  
bridle and aye the housing were of costly  
stuff and dear And the charger and shield  
beside it were bound to a linden tree. Then  
he thought, Who shall be this woman? for  
valiant I ween is she, Since she beareth a  
shield so knightly If she thinketh with me to  
fight, How, then, may I best withstand her?  
Were it better to here alight? If too long  
she wrestle with me perchance I were  
overthrown, If hatred or love I shall win

here I will fight her on foot alone; Yea, een  
an she were Kamilla, who before  
Laurentium fought Did she live still to  
battle with me, as awhile she for honour  
sought, I would face her, nor fear her  
prowess, if here she my foe would be, Tho  
neer with a maid have I foughten and the  
chance seemeth ill to me! Battle-hewn was  
the shield and dinted, as Gawain right well  
espied The nearer he rode unto it, and  
pierced with a lance-thrust wide. Such  
token by joust is painted, little payment his  
skill should know Whose hand erst the  
shield had fashioned an he thought him to  
paint it so! By the trunk of the mighty  
linden sat a maid on the grass so green,  
And sore did she weep and bewail her, and  
joyless, I wot, her mien. Then around the  
tree rode Gawain, and lo! on her knee she  
bore A knight, and she wept above him,  
and grieved with a sorrow sore. To be
