

The Sixth World of Men: The Beginning of Sorrows

The Avengers are loose. Do they have anything to do with the prophecy concerning the twelfth? On the brink of the twelfth, a few dream dreams. What do they mean? Do the dreams hold the key to the prophesied crisis? The reactions seen within the sixth world of men are varied. Some believe the prophecy, while others reject it as folly. Some whisper about conspiracies. Do they know something? What will really happen on the twelfth? Is there a way to avoid it? Is there really a crisis to avoid? The people of Kosundo will soon know the answers. The twelfth of Setmi is upon them. The Beginning of Sorrows is the third book in The Sixth World of Men series. The works of Walter E Mark beguile the reader with simplicity while driving the reader toward profundity.
