What if a secret copy of the erased Watergate tape existed? What if its contents could unravel long-established international alliances and further erode Americas stature in the world?The invasion of Taiwan is imminent. As the President of the United States struggles to build a coalition of allies assembled to resist Chinas might, Ryan Dewhurst, fights his own battle against forces that seek to use the devastating secret contained in a copy of the 18 1/2-minute gap in the Watergate tapes that was held by Ryans dying uncle, a former government operative.Can Dewhurst avoid the life-threatening dangers he encounters and get the Watergate tape to the current president or will it fall into the hands of those who seek to sabotage America?
