

Faith.Love.Struggle.

This book is a testament to the fact that dreams do come true and that anything is possible when our faith is in God. We must always have the ability to see the light at the end of the tunnel. In my eyes, that light represents perfect faith. Although we may never be perfectly faithful, I feel the different moments of love and struggle in our lives bring us closer to that faith. Faith.Love.Struggle. is comprised of poems dating back to 2002 up until the present. Each poem gives insight into my life and shows how times of love and struggle have made me more faithful while molding me into the man I am today.
