

Poems from the Heart: Romans 8:28

Poems from the Heart is thirty poems written over the past two years from a heart of joy, hurt, anger and desperation as I dealt with the neglect and abuse from my past. For more than forty years the awful events of my youth stayed buried in my heart and mind but these past two years God has led me on a journey of healing from the dark pit that was my childhood. These Poems from my Heart reflect the mostly positive side of the journey and the wonderful love and grace of God.
