

Poetic Masterpiece Vol 2: An Overcomers Collection of Inspirational and Articulated Poetry

Why is society in such dire, destructive disorder? It is because of human beings continuous rebellion against the creative order of the Creator. This book is a classic illustration of the authors obedience, faith, and diligence. These criteria are the propelling forces for her healing and recovery from a state of affliction to a state of purpose. Enveloped in this book are inspirational poetry, insightful quotes, and the authors testimonies of the Lords miraculous healing in her life. This includes the documentation of poems of overcoming experiences in order to deliver inspiration to people. This book will release encouragement that God is sincere in his desire to help people who have been oppressed and denied justice. This is a sequel to volume 1 of Poetic Masterpiece.
